## MARKET ANNOUNCEMENT

### Vision Motors Chevy Dealership Named GM International Grandmaster

Vision Motors was among the 116 dealers from 13 markets recently named GM International (GMI) Grandmasters during the annual program in New York City early this month.

Now in its 14<sup>th</sup> year, the GMI Grandmasters was created to reward GM's '**best of the best**' dealers in the region for their excellence. Winners were selected based on vehicle and parts sales, service, customer satisfaction and facility standards. They were judged on both the quantity and the quality of their operations.

Chevrolet was launched in Fiji in February 2014 by Vision Motors and the brand has continued to rise to top echelon of the market and becoming a tier one choice for local motoring fans. In celebrating this award, Vision Motors just launched a '5 year or ¼ Million km' Powertrain warranty which is the first in Fiji. This additional warranty is an epitome of Chevy brand quality and performance with customers being clear winners.

GM Executive Vice President and President of GM International Stefan Jacoby said, "Over the past year, our dealers have done an outstanding job putting the customer at the center and strengthening their commitment to the "I Care Culture". They have been a critical part of our team."

Speaking at the awards dinner, General Director SEA Distributor Sales Operations, Gary Player said: "Congratulations to our dealer from Fiji. You have been instrumental in the growth of GM and Chevrolet in Fiji. You have set a great example for your fellow dealers, and we are proud to have you as a partner."
